**Subject: XI Florence Biennale – Official Admission and Sponsor Request**

We are glad to announce that the Florence Biennale's International Selection Committee has selected Mrs. **Darin Ahmad** to participate in the XI Florence Biennale, that will take place at the historical Fortezza da Basso in Florence, Italy, from the 6th to 15th of October, 2017.

Since two decades the Florence Biennale, the international exhibition of contemporary art in Florence, has gathered artists from around the world in the 'cradle of the Renaissance' to participate to a contemporary art event that every two years has been attended not only by those who make art, but also by hundreds of people who teach, learn, promote, market, collect or otherwise consume, and enjoy art.

**XI Florence Biennale** aims at contributing to envision a future in which creativity and sustainability are inspiring principles of an artistic and cultural 'ecosystem' within a world that is respectful of nature and life forms on Earth. In fact, XI Florence Biennale will engage participating artists and visitors in a rich programme of artistic and cultural activities: Aside from the main exhibition, there will be collateral events, workshops, conferences and lectures relating to the theme, [\*eARTh: Creativity & Sustainability\*](#)

The Florence Biennale welcomes **sponsoring initiatives** aimed at enabling artists to participate in the Florence Biennale, therefore we would be grateful if you could support Mrs. **Darin Ahmad** to take part in this event. In that case, the name and logo of the sponsor will be published in the official catalogue and web site of the Florence Biennale, while several other benefits are shown in the Sponsor Kit and on the attached sheet.

Thank you very much for your attention and support.

Best Regards

Pasquale Celona
